

## Coming to a City Near You

# Experience Stratasys Tour

**The Stratasys Mobile Showroom is coming to Northrop Grumman! These local, convenient and socially distant events are a great way to see 3D printing in action and determine how your organization can benefit from additive applications.**

On board, you'll get the chance to see a F370, MakerBot METHOD, J55, and Origin One, and experience GrabCAD Print software. There will also be a variety of 3D printed parts on display from all Stratasys technologies, including the new SAF technology. Our 3D printing experts will be on hand to walk you through the showroom and answer any questions you may have.

### **Date:**

Tuesday, May 3

### **Time:**

10:30 AM – 2:30 PM

### **Location:**

1 Space Park Blvd,  
Redondo Beach, CA  
90278

Sign up for a VIP Tour - select your desired location and we will see you there!

*Please know that we take your safety seriously. Masks and social distancing are required, a limited number of visitors are permitted inside the showroom, and the space will undergo regular, medicalgrade cleaning throughout the day.*
