Our *SOLID*WORKS Story

1982

AutoCAD brings CAD to the PC instead of mainframe computers

1984

GoEngineer is born when founder Ken Coburn implements a 2D CAD system for the local power company.

1995

SOLIDWORKS 95 officially hits the market on December 12th.

Ken Coburn,
GoEngineer
Founder and CEO

2025

Today SOLIDWORKS 2026 introduces hundreds of user-driven enhancements
