

July 1st, 2025

Dear Valued Customer,

We are excited to welcome CAD MicroSolutions Inc. and PBI Experts Conseils Inc. to the GoEngineer family. GoEngineer is a full-service provider of Dassault Systèmes solutions, including SOLIDWORKS, DELMIA, CATIA, ENOVIA, SIMULIA, and 3DEXPERIENCE. Our Canadian entity is listed as ***CAD Micro, a GoEngineer company.*** In addition to our software solutions, we provide a range of hardware solutions from industry leaders such as Stratasys, HP, and more, available throughout Canada.

### Important: Updated Payment Processing Information for Canadian Customers

Effective July 1, 2025, please update your records to reflect new banking details for GoEngineer's Canadian entity. This change is part of our efforts to streamline operations and improve your experience.

Please review the following based on your previous provider:

- **Customers previously served by GoEngineer LLC (US Entity):**  
Your Canadian orders will now be processed through our **Canadian entity**. While your service experience will remain the same, please direct payments to our new Canadian banking information to ensure continuity.
- **Customers previously served by CAD MicroSolutions Inc:**  
Your account and payment details remain **unchanged**. However, you will now see ***CAD Micro, a GoEngineer company,*** on all future quotes, invoices, and communications.
- **Customers previously served by PBI:**  
The old PBI accounts are being **closed**. Please begin using the new Canadian bank details as soon as possible to avoid any disruption to your service.

### Need Assistance?

Should you have any questions or need assistance, our team is here to support you. Please refer to the contacts listed below for assistance.
