

WHAT'S NEW IN 2022 3D PRINTING AND 3D SCANNING EXPERIENCE

JOIN US AT OUR IN-PERSON EVENT

You're cordially invited to the Experience Stratasys Tour coming to Top Golf in Roseville on May 12, 2022. Space is *extremely* limited but we're giving your team the opportunity to experience What's New in 2022 in the world of 3D Printing and 3D Scanning.

THURSDAY, MAY 12, 2022

10:30 AM – 2:30 PM PDT (*Lunch served between 12-1PM*)

BONUS: One Complimentary Round of Top Golf

THIS STRATASYS ROADSHOW EVENT WITH GOENGINEER WILL FEATURE THE FOLLOWING:

- Creaform HandySCAN Black Elite and the GoSCAN Spark
- Origin One/F770/J55 PLUS the proven F370
- See parts printed using the following technologies: FDM/PJ/SLA/SAF/PPP
- Learn about several new Stratasys materials, including our new open materials
