

# SUBSCRIPTION **BENEFITS**

## **TECHNICAL SUPPORT**

Contact our support team in multiple ways

- Call Toll-Free 1-888-559-6167
- Email [support@goengineer.com](mailto:support@goengineer.com)
- [Have us call you](#)
- Webchat

## **SOLIDWORKS AUTOMATION TOOLS**

Here's a collection of small 'macros' that were tailored to help solve problems. Use, review, modify, and enjoy!

## **GOLABS**

Come to our facility to get hands-on experience with SOLIDWORKS and Simulation software.

## **MANUFACTURING SERVICES**

Get 10% off Fathom Manufacturing Services.

## **ONSITE MENTORING VISIT**

Schedule a complimentary Technical Visit from one of our Certified Application Engineers.

# **SOLIDWORKS PERKS**

## **MAJOR SOFTWARE RELEASES AND SERVICE PACKS**

Upgrade to the newest version to ensure client and vendor compatibility.

## **MYSOLIDWORKS.COM**

An online community that connects you to additional tools like:

- Online SOLIDWORKS Training
- Customer Forums
- Manufacturing Network

## **SOLIDWORKS VISUALIZE STANDARD**

The fastest and easiest way to create photorealistic imagery for anyone that needs to take 'photos' of their 3D data.

## **CSWP EXAM VOUCHER**

Make yourself more marketable by proving your design and parametric skills with this certification.

## **SOLIDWORKS CAM STANDARD**

Prepare your designs for manufacturability earlier in the development cycle.

## **ONLINE RESOURCES**

Access readily available training, tutorials and expert advice.
