

EXPLORE THE FUTURE OF ADDITIVE MANUFACTURING AT THE STRATASYS MOBILE ROADSHOW

Come visit us as we host the latest stop of the Stratasys mobile roadshow in Toronto! Enjoy coffee, food, and tour the mobile 3D printing center to get up to speed on the future of additive manufacturing. Our local GoEngineer 3D printing team will be on hand to answer questions and walk you through the latest available Stratasys technology.

COVID GUIDELINES

The safety and well-being of our staff, partners and customers is a top priority. In keeping with CDC, WHO and State guidelines, we have implemented the following measures.

- Staff/partner/prospect health verification (questionnaire & temperature checks)
- Occupancy restriction
- Mandatory mask use (disposable masks available)
- Gloves available (for use by prospects/guests; optional)
- Air quality/safety (HEPA filters installed)
- Regular “medical-grade cleaning” (prior to each visit)
